“THROUGH YOU  
WITHIN YOU  
ALL OVER YOU”

## The Sovereign Path - DNA Key is the frequency of the becoming...

Born of ancient teachings and rememberings, the DNA Key was gifted to Rachael Te Wano via her connection to all that is.

We are entering a time of self responsibility. An uprising. The DNA Key is an empowerment tool for you to remember and realise the sovereign truth of your soul. The energetics of the DNA Key commune with your whole being, bringing about an internal shift of remembrance. Knowing. And it is this knowing of one's sovereign truth that you will be effortlessly emanating in your daily life. The DNA Key is the energetic match to sovereignty. And it gets to look however it needs to for you.

The DNA Key is an energetic clearing and attunement to the highest frequency currently available on the planet. You get to experience it in the depth that only an intimate, bespoke container can offer. All experiential preferences are fully catered for with live calls, recorded resources, written notes and even an exquisite hard copy Book of Wisdom.

This 2024 Rebirthed cohort will experience even more of Rachael's magic than ever before with foundational wisdom shared via recordings and the weekly live Zoom calls dedicated to deepening your relationship with the frequency that is the DNA Key. This means an entirely tailored experience. No cohort will ever be the same. Rather, a building upon the wisdom of three rounds of delivery and four years of commitment to understanding the process. We have the words, we have the foundation, we are ready to serve you and the overflow you WILL create simply by being part of this collective weaving. Words do not even express how excited we are to deliver this newness!

The Sovereign Path – DNA Key can be offered via emanation, touch, guided visualisation, sound, colour, frequency and sacred geometry. In person or remotely, individually or in a group setting. Again, you get to choose how this looks. The experience invites loved ones, friends or clients to gently let go any negative past life experiences and energetic influences, expand their capacity for unconditional love, reclaim their primal self, reclaim their sovereign higher self connection, and upgrade to the optimal frequency of our new world. The magnitude of this offering blows Rachael's mind every time.

This is so much bigger than us. The Sovereign Path - DNA Key is destined to reach many and for that, we need Weavers who can deliver the DNA Key worldwide.

This training will teach you the deep inner workings of the DNA Key and, if you choose, how to artfully deliver this modality to clients. Successful applicants will benefit from an entire module dedicated to running a conscious business, social media promotional templates and a fully built out/functioning landing page.

The DNA Key is a gift to humanity. It is unlimited. Infinite. As we devote ourselves to learning this frequency, this modality, it gives back to us in so many ways. It truly is the gift that keeps on giving.

## Intention & Discernment

The intention of this training is to share the DNA Key frequency and modality with heart-led practitioners who will, in turn, filter it through their soul essence and deliver the DNA Key in their own way for the greatest good of all. This will look different for every Weaver. Some may step into conscious business and others may serve through their loved ones, friends and simply walking in the world.

Anything shared by Rachael throughout this prospectus, training, Book of Wisdom (manual), online school or any other forms of communication is her truth and reality in that moment. No claims or promises are ever made, no advice of any kind is ever given, no harm is ever intended. Absolutely everything is an offer and subject to your acceptance. This training is the very essence of radical self-responsibility and absolute discernment.

Upon accepting the offer to join the Sovereign Path DNA Key Weaver Training, you therefore agree to forever let go, waive and discharge Higher Path Pty Ltd, Rachael Te Wano and any guests or team members commissioned to assist in the delivery of this training from any and all legal claims and liability, without limitation, in both their public and private capacity. Our terms, conditions, policies and disclaimers may change from time to time. Please look to [rachaeltewano.com](http://rachaeltewano.com) for the latest version.

### A new frame of reference

We live in a reality where words like 'DNA' and 'Key' have quite 'physical' definitions. I see the unseen realms and I don't learn from books. I tell it how I 'see' it. When I 'talk' to a sOul, it is their DNA. A double helix. A genome. A blueprint. Light. It is all interwoven. For me, DNA is the very essence of sOul.
